

For any parents/guardians interested in registering their son/daughter for Great Oak athletics program, you can do so at <https://www.familyid.com/great-oak-middle-school-athletics>. Registration will be open for the entire summer with a closing date set for August 31st, 2019. In order to streamline the process for everyone you are able to register your child for all of the sports offered here at Great Oak (not just fall sports).

Medical Information:

It is important to know that all athletes must be cleared by the school nurse and have a current and/or up to date sports physical on file in the nurse's office to participate in practice. If an athlete is signed up, but does not have a current physical on file, they will not be allowed to participate. If there was an injury from a previous season that has not been cleared by a doctor, they will not be allowed to tryout until the appropriate documentation is supplied.
