

# Great Oak Middle School Band and Chorus

June 11, 2018

Dear Upcoming Sixth Graders and Parents:

How excited you must be at the prospect of entering Great Oak Middle School in August! We are in the process of preparing student schedules for next year.

The only option students have in the scheduling of classes for 6<sup>th</sup> grade is related to Band or Chorus. No experience is required; just a desire to learn and play an instrument, sing and have fun. We will work your selection into your schedule. Band or Chorus are NOT required. If your child is interested they can select one option.

If you would like your child to take Chorus or Band for a FULL year, please check the line below.

If your child is interested, please return the bottom portion to the Oxford Center School office or directly to Mrs. Fleishman, school secretary, at Great Oak Middle School by June 22, 2018.

Enjoy your summer!
