Great Oak Middle School Media Release Form

There are many circumstances in which photos and videos are taken at Great Oak Middle School while students are participating in various activities. Our goal is to educate others about some of our programs and also encourage others to join in. This occurs through posters, brochures, written proposals, magazines, newspapers and TV broadcasts. Pictures speak a thousand words and are very effective in promoting goals and activities in which our Great Oak students are involved as well as informing the general public about student participation.

We ask your permission to be able to use photographs and videos that may contain your child while participating in Great Oak Middle School activities.
