

August 10, 2018

The school is looking very good as we near the end of our summer maintenance schedule. I am very pleased with the work of the custodial crew and I am sure the teachers and students will be when they arrive in a few weeks.

This will be the last email I send directly to you as an individual grade. On Monday, August 13 our computer database will roll over to the new school year and I will be able to send emails to all grade 6-8 parents at the same time.

PowerSchool Parent Portal Opening Up August 17, 2018

The PowerSchool portal will open up to parents next Friday (August 17) and you will be able to view your child's schedule. If you find you have a question about your child's schedule you can certainly email or call me. Most often I will refer the issue to Mrs. Lebetkin (the school guidance counselor) so please also feel free to contact her with any schedule questions. Mrs. Lebetkin's email is lebetkina@oxfordpublicschools.org

Communications

I will be sending out GOMS eNews emails every Friday during the school year with important information. Please take a moment to review these as they are sent out.

I post all of my emails to parents on the GOMS website

Also, if you use Twitter please follow me @GOMSprincipal. I post all of my emails on Twitter as well.

Enjoy your weekend!
