

GOMS eNEWS #6

October 15, 2018

Dear Parents and Guardians,

There will be **no girls soccer practice today**. Girls soccer players should go home at then end of school today.

Over the next two weeks the students will take the fall STAR test in mathematics and reading. These tests help my staff better meet the needs of our students. We use these assessments to inform classroom instruction and as one measure to help determine if students need extra supports at school.

In this email I have information for you on the following topics:

1. Picture Day (October 17)
2. Book Fair (October 16-18)
3. Sports Schedule for this week
4. Fall Dance (November 2)

PICTURE DAY (October 17)

Wednesday, October 17, 2018 is GOMS picture day. We send home information for you to order picture packages the day before picture day (October 16). I have attached the information sheet and order form you will receive to this email for you to review. We have a make-up day for pictures scheduled for November 28, 2018.
