

December 7, 2018

Dear Parents and Guardians,

The PTO will be hosting its annual Holiday Shoppe where students can purchase holiday presents and gifts. The Holiday Shoppe will be open during student lunch waves December 11, 12, and 13.

I have directed teachers to reach out to all parents of students who currently have a D or F in their classes. The second marking period will end on January 16 so there is still a month for students to work on bringing up their grades if they are not where they should be.

I have attached the December Calendar (which has all December sports on it) as well as the December lunch menu.

Have a great weekend.

Anthony
