

Handbook/Agenda Sign-Off

Dear Students:

On behalf of your teachers, we would like to welcome you (or welcome you back) to Great Oak Middle School. Your teachers and I look forward to working together during this exciting and very challenging time of your life.

In addition to providing you with a solid academic program, there are several important traits which we hope our students will develop. These include the further development of a positive self image, a respect for learning, and acquiring a strong sense of responsibility.

Some of the policies or routines that you were used to have been changed; and accordingly, the handbook in your agenda and your teachers will keep you informed of these changes and help you as necessary. Please review the student handbook and hall passes included in your agenda with your parents as soon as possible.

Finally, your teachers, your parents, and I want your years here at Great Oak Middle School to be among the best of your school career. Do your best, always be respectful of others, and act responsibly. We are here to help you every step of the way.

Sincerely ,

Anthony Hibbert
Principal
