Dear Parents and Guardians of Incoming 6th Grade Students,

COMMUNICATION

I have heard from a few parents that they are not receiving these emails. I currently do not have the administrative rights to last year's OCS 5th graders. Once we complete the data transfer in PowerSchool I will have access to your accounts and help with any changes that need to be made. Once the I the rollover of PowerSchool data is complete I will get to work fixing any accounts for those who have been having trouble receiving my emails. If you have a friend or neighbor who is not getting these emails please let them know to contact me (if they have not already) and that they can look to the school website for copies of these emails.

I will post each of the emails I send on the GOMS website at <http://goms.oxfordpublicschools.org/> (under NEWS AND ANNOUNCEMENTS).

I will also be posting these emails to my Twitter account.

If you use twitter please consider following me @GOMSPrincipal.

We also have a Facebook page that I will post these emails
<https://www.facebook.com/Great-Oak-Middle-School-287418771631424/>

I hope you will find access to GOMS information on: the school website, Twitter and Facebook helpful in addition to these emails.

SCHOOL GARDEN

With the tremendous help of the town, we are in the process of developing a school garden. If anyone has an interest in helping us maintain the garden or support the program please let me know. I am meeting next week with Mrs. O'Neil from the town to brainstorm ideas for using the garden to supplement some of the units we do in science and develop an after school club.

Enjoy the weekend!
